Contents	20g
Intake	1 sachet/day

Main ingredients	DHA 300mg
Flavor	Delicious Fruit Yogurt Flavor

**Delicate Selection of Fish Oil**   
Refined fish oil is chosen for this product whose fishy smell is very slight & barely detectable.

**Good Emulsion Quality**   
API managed to minimize emulsion particles, which made the emulsion less likely to break down (water and fish oil are less likely to separate).

**Rich Flavoring Expertise**   
With over 30 years of experience in supplement development, API knows the best flavor combination to create the ideal taste for Kids DHA jelly.

A Delicious Smart Treat  
for Bright Kids ✦ ✦
